SOLD â?? 14201 Tim Bell Rd, Waterford

Description

default watermark

A great opportunity to enjoy country living with the backyard overlooking Dry Creek that runs behind the property! The home has been fully renovated featuring an open floor plan with a beautiful kitchen with granite counters and stainless steel appliances. Donâ??t forget to check out the master bathroom. Nice tile work in the walk-in shower and enjoy the day in the free-standing tub after a hard dayâ??s work. Home sits back from the street with plenty of room for all your toys, gardens, etc. Additional square footage was added permitted for a total of 1717 square feet.
